(Please clip and retain for your records)

Dear Parents,

Your daughter has indicated an interest in attending the Women in Engineering Day on Wednesday, February 21, 2018.

The Women in Engineering Day is social, interactive and always fun. Students discover the many diverse fields of engineering and participate in an interactive design competition.

This fun-filled interactive day includes: Registration is at 8:15 am and then various session from 9:00 am - 3:00 pm

- Information on engineering
- An engineering design competition
- Department demonstrations
- Lunch (free, but accommodation for special dietary needs cannot be assured)
- Life as an engineering student presentation
- A panel discussion led by successful

The event is free, but parents are responsible to arrange transportation for their daughters. It takes place at the University of Calgary, ICT Building-Main Floor (856 Campus Place NW).

I will be attending the event. If you have any questions, you can contact me at
Charlene.foster@pallisersd.ab.ca

Sincerely,
Charlene Foster
Career and Academic Counsellor

ELEMENTS OF RISK

Educational activity programs such as Off- campus trips involve certain elements of risk. Injuries may occur while participating in these activities. The following list includes, but is not limited to, examples of the types of injuries which may result from participating in Women in Engineering Day.

1. slips and falls
2. getting lost
3. allergic reaction

The risk of sustaining these types of injuries result from the nature of the activity and can occur without fault of either the student or the School Board, Heritage Christian Education Society Board, its employees/agents or the facility where the activity is taking place. By choosing to take part in this activity, you are accepting the risk that your/your child may be injured.

The chance of an injury occurring can be reduced by carefully following instructions at all times while engaged in the activity.

If you choose to participate in Women in Engineering Day on Feb 21/18, you must understand that you bear the responsibility for any injury that may occur.

The Board of Trustees of Palliser Regional Schools has invested in IAP Student Accident Insurance, with enhanced coverage for the school year. This provides insurance coverage for all students, teachers and non-teachers on Palliser staff from the time they leave their residence to travel to school to the time they arrive at their residence (or their first destination) after school. This coverage also applies during approved and supervised school trips/activities.

ACKNOWLEDGEMENT

We have read the above. We understand that by participating in the activity described above, we are assuming the risks associated with doing so.
