Yes, I can volunteer on _____ and my email is: _____

Yes, I do have a police check on file with the office

Please submit signed form and payment by Tues. Feb. 20/18

(Clip & retain for your records)

Dear Parents,

On Feb 26 & 28, the grade 8 Science class will be going to Canadian Lions Eyeglass Recycling Centre (CLERC). This is a part of our light and optics unit. We will be watching a movie about what CLERC does and where the glasses go. There will be several hands on stations for the students to move through; sorting, washing, reading prescriptions, etc.

Students are to wear regular uniform. They will be leaving the school, by bus, at 8:45 am and returning to the school by 12:15 p.m.

We do require volunteers to accompany us on this trip. Please email Mrs. Mywaart if you are able to join us.

If you have any questions, please do not hesitate to contact Kaitlyn.mywaart@pallisersd.ab.ca

ELEMENTS OF RISK

Educational activity programs such as Science field trip involve certain elements of risk. Injuries may occur while participating in these activities. The following list includes, but is not limited to, examples of the types of injuries which may result from participating in the Science field trip.

1. bus accident
2. tripping / falling

The risk of sustaining these types of injuries result from the nature of the activity and can occur without fault of either the student or the School Board, its employees/agents, the Heritage Christian Education Society Board or the facility where the activity is taking place. By choosing to take part in this activity, you are accepting the risk that your/your child may be injured.

The chance of an injury occurring can be reduced by carefully following instructions at all times while engaged in the activity.

If you choose to participate in the Science field trip on Feb. 26 or 28/18, you must understand that you bear the responsibility for any injury that may occur.

The Board of Trustees of Palliser Regional Schools has invested in IAP Student Accident Insurance, with enhanced coverage for the school year. This provides insurance coverage for all students, teachers and non-teachers on Palliser staff from the time they leave their residence to travel to school to the time they arrive at their residence (or their first destination) after school. This coverage also applies during approved and supervised school trips/activities.

ACKNOWLEDGEMENT

We have read the above. We understand that by participating in the activity described above, we are assuming the risks associated with doing so.
